^{the}VOW

The Vow Studio is a professional photography studio based in central London. Our state-of-the-art studios are fully equipped and available for Wet or Dry Hire.

Our studio space is available for hire on weekends all year round.

Our studio team can advise on potential dates with you for your booking and help with any special requirements you may need.

Our open plan studio space is equipped with a large 25 foot white infinity cove. We also have several feature walls available for more Creative sets and background's, together with spaces for Hair & Makeup and Styling we also have a dedicated client work area and breakout space for lunches.

The studio is equipped with rails, steamers, and all styling equipment you may need for your shoot.

All elements of the studio are mobile so we can spin the whole studio around 360 degrees depending on how we need to shoot. The layout of the space allows for the full range of content to be captured simultaneously covering model, flat lays and still life
